which were not included in the decision. Documentary evidence so appended shall thereupon become part of the record in the proceeding. Failure to append that evidence to its submission to the Board in the representation proceeding as provided above, shall preclude a party from relying on such evidence in any subsequent unfair labor proceeding.

(f) *Revised tally of ballots.* In any case under this section in which the regional director or the Board, upon a ruling on challenged ballots, has directed that such ballots be opened and counted and a revised tally of ballots issued, and no objection to such revised tally is filed by any party within 7 days after the revised tally of ballots has been made available, the regional director shall forthwith issue to the parties certification of the results of the election, including certifications of representative where appropriate, with the same force and effect as if issued by the Board. The proceeding shall thereupon be closed.

(g) *Format of filings with regional director.* All documents filed with the regional director under the provisions of this section shall be filed double spaced, on 8½ by 11-inch paper, and shall be printed or otherwise legibly duplicated. Briefs in support of exceptions or answering briefs shall not exceed 50 pages in length, exclusive of subject index and table of cases and other authorities cited, unless permission to exceed that limit is obtained from the regional director by motion, setting forth the reasons therefor, filed not less than 5 days, including Saturdays, Sundays, and holidays, prior to the date the brief is due. § 102.70 Runoff election.

(a) The regional director shall conduct a runoff election, without further order of the Board, when an election in which the ballot provided for not less than three choices (i.e., at least two representatives and “neither”) results in no choice receiving a majority of the valid ballots cast and no objections are filed as provided in §102.69. Only one runoff shall be held pursuant to this section.

(b) Employees who were eligible to vote in the election and who are in an eligible category on the date of the runoff election shall be eligible to vote in the runoff election.

(c) The ballot in the runoff election shall provide for a selection between the two choices receiving the largest and second largest number of votes.

(d) In the event the number of votes cast in an inconclusive election in which the ballot provided for a choice among two or more representatives and “neither” or “none” is equally divided among the several choices; or in the event the number of ballots cast for one choice in such election is equal to the number cast for another of the choices but less than the number cast for the third choice, the regional director shall declare the first election a nullity and shall conduct another election, providing for a selection from among the three choices afforded in the original ballot; and he shall thereafter proceed in accordance with paragraphs (a), (b), and (c) of this section. In the event two or more choices receive the same number of ballots and another choice receives no ballots and there are no challenged ballots that would affect the results of the election, and if all eligible voters have cast valid ballots, there shall be no runoff election and a certification of results of election shall be issued. Only one such further election pursuant to this paragraph may be held.

(e) Upon the conclusion of the runoff election, the provisions of §102.69 shall govern, insofar as applicable.
